PURR_FECT DOG TRAINING AGREEMENT TO INDEMNIFY, HOLD HARMLESS, RELEASE AND WAIVER OF LIABILITY, AND ASSUMPTION OF RISK

Purpose of a Therapy Dog:
Therapy dogs are dogs that volunteer with their owners to improve the lives of others. Therapy dogs are not service dogs, and they do not have the same public access as service dogs. If my dog receives the PDT THERAPAW Dog title, I will not use the title in any way to present my dog as a service dog. This means I will not use the THERAPAW dog title for the purpose of gaining public access to planes, restaurants, public buildings, stores, etc. Further, I understand that the PDT THERAPAW Dog title qualifies the dog to make visits, and I agree to maintain a current status with my THERAPAW dog registration/certification organization as long as I am volunteering with my dog.

CERTIFICATION: I certify that this application given in this application is true and accurate.
I understand and agree that approval for the PDT THERAPAW Dog title is not guaranteed.
I agree that any cause of action, controversy or claim arising out of or related to this application or as to the construction, interpretation and effect of this agreement does not hold Purrfect Dog Training liable for any occurrences, circumstances, misconduct or harm that your dog may cause. Purrfect Dog Training is not liable to hold insurance on your dog as PDT has not had any interaction in the full training of your dog. You as an owner shall be liable to hold insurance coverage for any misconduct or negligent instance your dog may perform, or you may contact the trainer who fully trained your dog.

I understand that attendance at a dog obedience training class is not without risk to myself, members of my family, third parties, or to my dog, even when dogs are handled with the greatest of care. THEREFORE, in consideration of the acceptance of my application and in consideration of the benefit of attendance at dog obedience training, I hereby waive, release, hold harmless, indemnify and defend, the Purrfect Dog, LLC, its Officers, Employees, Members, Trainers, Assistants, Volunteers, its Agents and/or Servants (hereinafter referred to as "PDT"), and the Owner(s) of the premises located at, Saint Germain, Wisconsin 54558, its Agents, Servants and/or Employees, from any and all liability for injury and/or damage which I, my family, my guest, or any third party, or my dog may suffer, including, but not limited to, any injury or damage resulting from the action of any dog(s) in the training session and/or other function of the PDT, or while on the training grounds or surrounding areas thereto. In addition, I expressly assume the risk of such injury or damage while attending any training session, any other function of the PDT, and/or while on the training grounds or surrounding areas.
I hereby agree that the ~~above indemnification is in addition and~~ not in ~~lieu of any homeowner's~~ or general liability coverage I maintain as a condition of my participation in the dog obedience training class.
This is a service that requires energy usage and time, therefore no refunds are given under any circumstance unless upon my discretion.

I/We, the undersigned, have read the above and understand the content thereof.

Requirements while you and your dog are involved in training classes with Purrfect Dog Training (these may vary according to the class):

- Owner(s) of the dog must have Liability Insurance (eg homeowners or general liability).
- Puppies should be spayed/neutered if older than age of 5 months.
- Dogs that are ill or in season are not permitted in training– attend without dog and continue working at home.
- Due to insurance regulations and for safety, all handlers must wear sneakers or shoes with rubber soles. No high heels, sandals, leather soles, bare feet, or foot gear determined by the instructor to be inappropriate will be permitted.
- A responsible adult must accompany children under 17 years of age at all times.
- Purrfect Dog reserves the right to excuse any dog or handler for behavior deemed inappropriate or disruptive if in a class.
- For the safety of all concerned, dogs deemed extremely aggressive will be dismissed or muzzled from training at the discretion of the Training Staff.
- It is your responsibility to call and confirm whether or not you will not be able to make a training session. Money will not be refunded, (will possibly work out a missing session).
- Note the day and time of training sessions we have agreed on. Training interviews and paper work are on the first day of training and is regarded as a training session.
- All training learned has to be the responsibility of the owner to continue training lessons. A dog can become untrained very quickly if allowed. Understand the dog will never forget it's training, but will check to see what they can get away with. Make sure you are consistent with the commands and do not allow them to get away with "sneaking" out of one. Be firm! (not abusive)
