Describe below any comments you would like to make on the dog training\_boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

We boarded our dog with you for 3 days. Our dog was treated very nice and was very well cared for during her stay. The services you offered (bath + nail trimming) were very appreciated. It seemed like she had so much fun that she didn't want to leave! Thanks again and we will definitely come back!

Can I use you as a reference or contact for other interested parties that want to have their dog trained or boarded. (Please check box if Yes)
