Describe below any comments you would like to make on the dog training, boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

Kat is wonderful! Without her vast knowledge & experience I probably wouldn't have found out Bailey had hip dysplasia! She took her time with Bailey knowing she was in pain. Bailey is a very smart girl & very loyal. She did a great job with her!

Thank you Kat for all your compassion & understanding!

Can I use you as a reference or contact for other interested parties that want to have their dog trained or boarded. (Please check box if Yes)
