Describe below any comments you would like to make on the dog training, boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

We brought our dog, Bella, to Kat for her aggression towards strange dogs, particularly puppy aggression of all things! Kat ~~to~~ worked with Bella for a 3 day-weekend + helped her to accept her balanced pack. When we returned for Bella, she was sharing toys and playing fetch with the other dogs. We appreciated Kat's ability to help our dog with this issue.

In addition, Kat gave Bella (a very large dog) a nice bath + clipped her toenails - an unexpected addition to her stay.

Thanks, Kat!
