Describe below any comments you would like to make on the dog training_ boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

Boomer- He Exceeded All Expectations I Had or Ever thought of. He is extremely intelligent - And, willing to learn & OBeq.
I Believe That it is up to me to keep Boomer In practice, Wich I take Him to the park everyday (Almost) And work with Him on His commands and Socialising with people and other Dogs.
Kat showed a lot of consciouness when she picked Boomer for me.
I cannot say enough positive things to Express How wonderful Boomer is and the impact He Has MADE on my life for the Better.

I would Recomend Purrfect Dog training to anyone who Desires A Caring Environment or anyone who Needs A Companion to Befound for them, and to Be Trained.

Please feel free to use me as A Reference, and use my E-mail for anyone wanting info on The type of service I Received.
