Describe below any comments you would like to make on the dog training_boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

Dropped our Dogs off Thursday instead of Friday as planned, it sure helped us out a lot one less thing to do in the morning. We picked them up 4 P.M. The following Sunday and our Dogs well taken care of and loved ~~the~~ like they were your own. I will recommend you if I hear of anybody looking for boarding or training. It's sure nice knowing I can leave my Dogs there and everything will be ok when I return. I can also tell our dogs like coming to your place. Thanks again for ~~taking~~ such good care of them.
