Describe below any comments you would like to make on the dog training, Please be honest.

Please return to me in enclosed envelope.

You are such a loving & caring person, a Super and Excellent Obedience Trainer. Your training & commanding of Duffy in walking, sitting, staying, no barks, no bite, no chew, you made him into a wonderful, obeying, perfect pet.

Duffy loved being with you & I know he so looked forward to going to, Doggy Boot Camp, obedience training. In the 12 hours of classes you trained him obedience that I had not been able to do in 7 months. Leaving him with you while I went out of state for 7 days, I did not have any worries about his care. I knew how much you loved & cared for him & have seen that you have always treated him as one of your own. He was in excellent hands & will leave him again with you should I have to go away. You also continued the training while he stayed with you. Thank You!

You not only trained him you trained me.

Thank You!
