Describe below any comments you would like to make on the dog training, boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

My family and I had a wonderful experience with Kat. We got our beautiful dog, Gypsy from her. Gypsy is a perfectly spunky girl who is doing very well with all of her commands. In the first few weeks of having Gypsy we had trouble with only one command. I let Kat know and she continually advised me on what to do. Kat was always patient and kind to me no matter how many times I called or e-mailed her with questions. I just couldn't wait for the puppies to be born and Kat had been working with another black-lab pup from another breeder. I was so anxious she asked if I'd be interested in seeing this other pup. That's how we got our Gypsy! We love her so much. She's fun, and playful, and silly. A great addition to our family. Now after seeing Kat again, she worked on the one command we had trouble with and things are perfect now. We are very satisfied with her training. Kat is a wonderful person who always welcomed us in to see or play with Gypsy. She's always there to help or guide you. We couldn't have asked for more.

Can I use you as a reference or contact for other interested parties that want to have their dog trained or boarded. (Please check box if Yes)
