Wow! is all I can say! Jackson loved his stay & it was obvious when I picked him up - he wasn't too fond of getting in the car, he wanted to go play with the other dogs again.

You took wonderful care of Jackson while we were on vacation, sounds like he made himself right at home. I loved how he was treated (spoiled) just like he would have been if he were at home.

Once we got Jackson home, he was happy to be with his humans again, but I think he missed his playmates. After a good hard nap (I think he had tons of fun playing!), he was his usual playful self.

Jackson says thank you for the cuddles, games of tug of war, bath, & nail trim! He loves his new bone & his mom loves his freshly washed collar - truly icing on the cake! We will be back for sure!

Thank you so much Kat!
