Just wanted to take an opportunity to let you know how it is going with Jasmine and our family. I have to admit I was not exactly sure that we were making the right decision to bring Jasmine into our home.

But after the last few days with her I know this was meant to be. We are falling hopelessly in love with her. (The whole family) I think the cat Mosey is showing some signs of making a go at it. Jasmine really took to our daughter Alexis the first night and still seems to be her favorite.

Lisa has took her for some very enjoyable walks. Alexis and I took her swimming then a visit with Daisy this afternoon, then a bath. After supper Lisa and her went for a walk. She's a bit tired but seems to enjoy the attention. She warmed up quickly to us and was very excited to see Daisy, Marcel, and Denise today.

She is so smart, so loving, and so obedient, what can I say, but a dog owners dream. She has made us laugh and amazed. We already have story's to tell. And there will be plenty more I'm sure. We received the discs and the unexpected dog food package's today. Thank you! We will be looking forward to seeing you in a few weeks to have her nails trimmed and to let you see her.

Thanks again, we'll keep you posted.

Can I use you as a reference or contact for other interested parties that want to have their dog trained or boarded. (Please check box if Yes)
