Describe below any comments you would like to make on the dog training_ boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

Kat,

Just a short note to let you know how Lola's doing.

I was very surprized on Sat. night to see this cute little dog staring at me in my easy chair. I wasn't looking for a dog, but she quickly won me over. Her calm nature and unbelievable sense of understanding was shocking. My overused line for the next week was, "I can't believe this dog!"

We are very pleased with your training and passion for Lola. The package that came with her helped loads. The "Commands" sheet helped ~~us~~ us stay consistant with your training.

Also she was super with our Grand kids. They loved her. She loves the water and is a great swimmer.

Thank you
very much,

Dave
