Describe below any comments you would like to make on the dog training\_ boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

Lucky had a marvelous time with his new dog friends he definitely had more fun with you gup then at home.

He looked gorgeous from your grooming and tender loving care.

We can go away in the future with confidence that Lucky is well cared for and loved.

Thank You -
