Describe below any comments you would like to make on the dog training_ boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

Lucy is a completely different dog!
She stays & waits perfectly! She is
a much happier dog now that she
has manners! She hasn't even touched
a shoe since being home. She also
hasn't gone potty in the house at
all! Kat - you did a wonderful job!

Can I use you as a reference or contact for other interested parties that want to have their dog trained or boarded. (Please check box if Yes)
