Describe below any comments you would like to make on the dog training, boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

Boarding

One week after we took our golden retriever (7 months old) to Kat for training, we boarded her for 2 days over the Thanksgiving holiday. She had a blast! She was showered with attention + play time from Kat + the other dogs on site. Treated to a yummy Thanksgiving dinner, bathed, nails trimmed (a job I hate doing!), a warm bed to sleep in, lots of yard to roam + play in. Although she was excited to see me when I picked her up, I could tell she had made some new friends + really liked + obeyed Kat! Would definitely board her here again!

Can I use you as a reference or contact for other interested parties that want to have their dog trained or boarded. (Please check box if Yes)
